PRESENT :

Hon'ble Mr. Justice Aditya Narayan Chaturvedi

A. N. Chaturvedi, I.—This election petition under
Sections 80, 80A and 81 of the Representation of
the People Act, 1951 has been filed by Shri Manoj
Kumar Jha, an elector in Madhubani Assembly
Constituency which forms part of 13 Madhubani
Parliamentary Constituency, for setting aside the
election of sole respondent Shri Bhogendra Jha, the
returned candidate, to the 10th Lok Sabha from 13
Madhubani Parliamentary Constituency. The sole
ground on which the election is impugned is that the
nomination papers of Shri Lal Bahadur Singh and
Shri Pawan Kumar Pathak had been improperly re-
jected by the Returning Officer.

2. The case of the election petitioner as made out
in the election petition is that the President of India
by a notification called upon the Parliamentary Consti-
tuencies to elect members of 10th Lok Sabha from
the State of Bihar and the Election Commission of
India notified an election programme fixing dates for
filing nomination papers, scrutiny of nomination
papers, withdrawal of candidature and the date of poll
etc. Shri J. S. Burjia, the District Magistrate of
Madhubani, was designated as the Returning Officer
for the election from Madhubani Parliamentary
Constituency by the Election Commission of India.
As many as 61 candidates, including Shri Lal Bahadur
Singh, Shri Pawan Kumar Pathak and sole respon-
dent Shri Bhogendra Jha filed their nomination papers
before the Returning Officer within notified period.
The Returning Officer held scrutiny of nomination
papers on 27-4-1991 in presence of nominated candi-
dates and their proposers, whosoever were present,
and accepted all the nomination papers except that
of Shri Lal Bahadur Singh and Shri Pawan Kumar
Pathak. The nomination paper (Ext. 2/2) of
Shri Lal Bahadur Singh was rejected on the ground
that the name of proposer does not tally with the
particulars as entered in the Electoral Roll. The
nomination paper (Ex. 2) of Shri Pawan Kumar
Pathak was rejected on the ground that the propo-
ser's name does not tally with the name as entered
in the Electoral Roll. Out of 59 candidates whose
nomination papers were accepted, 10 candidates
withdrew their nomination papers leaving 49 candi-
dates in the field to contest. The polling took place
on 12-6-1991 and repolling on 32 booths took place
on 17-6-1991. The votes were counted on 17-6-1991
and 18-6-1991 and the result of the election was
announced on 19-6-1991 declaring respondent
Shri Bhogendra Jha as elected to Lok Sabha from
Madhubani Parliamentary Constituency. According
to the election petitioner, the election of Shri Bho-
gendra Jha is void and illegal as there was no objec-
tion from any person to the nomination papers of
Shri Lal Bahadur Singh and Shri Pawan Kumar
Pathak and the same had been improperly, arbi-
trarily and illegally rejected by the Returning Officer
without holding an enquiry and without giving an
opportunity to them to point out the correct entry in
the electoral roll in respect of the name of the pro-
poser and hence this election petition for setting aside
the election of Shri Bhogendra Jha to the Lok Sabha
from Madhubani Parliamentary Constituency.

3. The sole respondent Shri Bhogendra Jha has filed written statement and has contested the election petition. The case of the respondent is that the election petition as framed and presented is not maintainable and is fit to be dismissed for non-compliance of the mandatory provisions of sections 81, 82, 83 and 117 of the Representation of the People Act, 1951. The petitioner was required to file the election petition along with a true copy of the election petition but the same was filed without any copy thereof. There was violation of the provisions of Chapter XXIE Rule 6 of Patna High Court Rules also as the election petition was filed in the court of Hon'ble the Chief Justice on 2-8-1991 without presenting the same before the Stamp Reporter of the High Court prior to 2-8-1991 as a result of which stamp reporting was made on 24-8-1991 after the expiry of the period of limitation. The copy of the election petition served on the respondent was not a true copy of the election petition and the same had been attested, verified and supported by affidavit dated 10-10-1991 and had been filed in Court on 11-10-1991. In view of the nature of the allegations in the election petition, all other candidates, including Shri Lal Bahadur Singh and Shri Pawan Kumar Pathak were necessary parties and non-impleading them as party respondents in this election case is violative of mandatory provisions of section 82 of the Representation of the People Act, 1951.

4. Further case of the respondent is that Congress(I) candidate Dr. Jagannath Mishra was his nearest rival in the election in question. Dr. Jagannath Mishra had been the Chief Minister of Bihar thrice and prior to that he was Minister of Irrigation and Power thrice and subsequently he became leader of opposition in the Assembly holding Cabinet Rank. In the election in question Dr. Jagannath Mishra utilised all his resources and exercised all his influences for manipulating and manoeuvring the election processes right from the very beginning and put up several dummy candidates in order to manoeuvre the election process but lost the election by heavy margin. Having lost the election, Dr. Jagannath Mishra has got this election petition filed through the election petitioner in order to nullify the election of the respondent. The nomination papers presented on behalf of Shri Lal Bahadur Singh and Shri Pawan Kumar Pathak were purposefully wrongly filled up and were knowingly left to be defective at the instance of Dr. Jagannath Mishra so that the defects may be used as a pretext by him or on his behalf when he loses the election. Since the defects in the nomination papers of Sri Lal Bahadur Singh and Sri Pawan Kumar Pathak were of substantial character, their nomination papers were validly rejected by the Returning Officer. At the time of Summary enquiry made by the Returning Officer none including the candidates, their proposers or their authorised agents objected to the rejection of the nomination papers of Sri Lal Bahadur Singh and Sri Pawan Kumar Pathak. None of them either sought opportunity for assisting the Returning Officer in locating or identifying the proposers of the aforesaid two candidates or sought any time for giving the correct particulars of the proposers of Sri Lal Bahadur Singh and Sri Pawan

Kumar Pathak. Since the proposers of the aforesaid two candidates were not identifiable from the voter list the Returning Officer had no option but to reject their nomination papers. As contemplated by law, enquiry was made by the Returning Officer in presence of all the persons present and finding the defects in nomination papers as of substantial character, the nomination papers were validly rejected. His (respondent) election to the 10th Lok Sabha from the said parliamentary constituency is valid and legal and this election petition is fit to be dismissed with exemplary costs payable by election petitioner to him (respondent) for unnecessarily harassing him by filing this election petition at the instance of Dr. Jagannath Mishra.

5. After hearing the learned counsel for the parties on 10-12-1992 and keeping in view the pleadings of the parties, the following issues were settled for determination in this election case :—

- (i) Whether the election petition is maintainable?
- (ii) Whether the nomination papers of Shri Lal Bahadur Singh and Shri Pawan Kumar Pathak had been improperly rejected and, if so, whether the election of respondent Bhogendra Jha is void?
- (iii) Is the election petitioner entitled to any relief?

6. Before considering and determining the aforesaid issues, I would like to point out that the pleas of the respondent regarding non-compliance of the provisions of section 81 of the Representation of the People Act, violation of the provisions of Chapter XXI E Rule 6 of Patna High Court Rules, filing of election petition before the Court of Hon'ble the Chief Justice without presenting the same before Stamp Reporter of the High Court, service on respondent of copy of the election petition attested, verified and affidavit on 10-10-91 and the same being not the true copy of the election petition, and regarding limitation were considered at the instance of respondent vide order dated 1-9-1992 and were decided against the respondent. The respondent moved the Supreme Court against the said order dated 1-9-1992 by filing petition for Special leave to Appeal (Civil) No. 13753 of 1992 which was dismissed by the Apex court on 19-11-1992.

7. It may be further pointed out that the election petitioner has simply challenged the election of the respondent on the ground of improper rejection of the nomination papers of Shri Lal Bahadur Singh and Shri Pawan Kumar Pathak and has not sought any further declaration that any other candidate has been duly elected and hence the plea regarding non-compliance of the provision of Section 82 of the Representation of the People Act (non-joinder of other contesting candidates as respondents) was not pressed at the time of hearing. Since the election petition has been duly signed, verified and affidavit and contains concise statement of material facts on which the election petitioner relies, the plea regarding non-compliance of the provision of section 83 of the said Act was also not pressed at the time of hearing. As will appear from the order dated 2-8-1991, the election petitioner at the time of presentation of elec-

tion petition filed a challan showing deposit of Rs. 2,000 as security for costs of the petition and perhaps in view of this that the plea regarding non-compliance of the provision of section 117 of the said Act was not pressed at the time of hearing. Moreover there is no merit in the above pleas.

8. First of all I would like to consider and determine issue No. 2. It is not disputed that Shri Gandhi Jha (P.W. 3) was the proposer of Shri Pawan Kumar Pathak (P.W. 4). Moreover this fact is also apparent from the evidence of Gandhi Jha (P.W. 3), Pawan Kumar Pathak (P.W. 4) and the first page of the nomination paper (Ext. 2) of Shri Pawan Kumar Pathak. It has come in the evidence of Gandhi Jha (P.W. 3) and Shri Pawan Kumar Pathak (P.W. 4) that the name of Gandhi Jha is entered at serial No. 413 of the part No. 190 of the Voter List of Benipatti Assembly Constituency which forms part of Madhubani Parliamentary Constituency in question. This fact is also apparent from the Voter List (Ext. 1) of Benipatti Assembly Constituency. From the first page of the nomination paper (Ext. 2) of Shri Pawan Kumar Pathak it would appear that in the nomination paper it has been stated that the name of proposer Gandhi Jha is entered at serial No. 113 of Part No. 190 of the Voter List of Benipatti Assembly Constituency. So the serial no. has been wrongly written as 113 instead of 413 in the nomination paper of Shri Pawan Kumar Pathak.

9. It is not disputed that Yogendra Poddar was the proposer of Shri Lal Bahadur Singh (P.W. 6). Moreover this fact is also apparent from the evidence of P.W. 6 Lal Bahadur Singh and the nomination paper (Ext. 2|2) of Sri Lal Bahadur Singh. It has come in the evidence of Lal Bahadur Singh (P.W. 6) that the name of his proposer Yogendra Poddar is at serial no. 356 of Part No. 74 of the Voter List of Madhubani Assembly Constituency which form part of Madhubani Parliamentary Constituency in question. Moreover, this fact is also apparent from the Voter List (Ext. 1|1) of Madhubani Assembly Constituency. From the nomination paper (Ext. 2|2) of Shri Lal Bahadur Singh it would appear that in the nomination paper it has been stated that the name of proposer Yogendra Poddar is entered at serial no. 356 of Part No. 75 of the Voter List (Ext. 1|1) of Madhubani Assembly Constituency. As is apparent, the part No. of the voter list has been wrongly mentioned as 75 instead of 74 in the nomination paper (Ext. 2|2). It has been pleaded in para 9 of the election petition that Part No. of the entry concerning the name of proposer Yogendra Poddar was misread by the Returning Officer or at best it was inaccurate due to inadvertance. It may be pointed out that candidate Lal Bahadur Singh as P.W. 6 has stated that he had himself filled up his nomination paper (Ext. 2|2) and his proposer Yogendra Poddar had affixed his signature thereon. He (P.W. 6) has further stated that he has written Part No. 74 in para 2 of the nomination paper. It may be pointed out that P.W. 6 has written the figure "4" at five places and figure "5" at three places in the first page of his nomination paper. In Ext. A also he has written figures "4" and "5" on a comparative study of figures "4" and "5" written by him (P.W. 6) there remains no scope for saying that the Returning Officer had mis-read the

Part No. concerning the name of the proposer as noted in the nomination paper (Ext. 2|2) as the same is clearly written as 75 and not 74. So the Part No. has been wrongly noted in the nomination paper of Shri Lal Bahadur Singh as 75 instead of 74.

10. Referring to sub-section 4 of the section 36 of the Representation of the People Act, 1951 it was contended on behalf of the respondent that the above mentioned defects in the nomination papers of Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh were of substantial character and hence could not have been ignored or overlooked in accordance with proviso to sub-section 4 of section 33 of the said Act. It was further contended that due to the above mentioned defects in the nomination papers of Sri Pawan Kumar Pathak and Shri Lal Bahadur Singh their proposers were not identifiable from the voter list and under the circumstances the Returning Officer had no option but to reject the nomination papers. In support of the above contention reliance was placed on the decision of the Supreme Court in the case of Brij Mohan versus Sat Pal reported in A.I.R. 1985 S. C. 847. On the other hand the learned counsel for the election petitioner contended that the above mentioned defects in the nomination papers of Shri Pawan Kumar Pathak & Shri Lal Bahadur Singh are of the nature of clerical error and not of substantial character entailing rejection of nomination papers and since the electoral rolls of all the Assembly Constituencies forming part of Madhubani Parliamentary constituency were before the Returning Officer at the time of scrutiny real and correct entry in the electoral roll could be easily pointed out on an enquiry and on being given to chance. It was further contended that section 3 (4) of the Representation to the People Act particularly its proviso clearly indicates that misdescription regarding the electoral number in the nomination paper is a technical or clerical error and as such a duty has been cast on the Returning Officer either to get it corrected by the candidate at the time of presentation of the nomination paper or to get it overlooked or ignored at the time of scrutiny. It was further contended on behalf of the election petitioner that undisputedly no one had objected to the nomination of Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh before the Returning Officer at the time of scrutiny and in view of the provision of Section 33(4) read with section 36(2) of the said Act the Returning Officer should have held summary enquiry and should have given reasonable opportunity to the concerned candidates to point out the correct entry in the electoral roll in respect of the name of the proposers but no enquiry as required by law was held by the Returning Officer before rejecting the nomination papers of the said two candidates.

11. In view of the above contentions of the learned counsel for the parties it has to be considered if the aforesaid defects in the nomination papers of Shri Pawan Kumar Pathak and Sri Lal Bahadur Singh were of the nature of clerical error or were of substantial character and whether the Returning Officer had held summary enquiry as required by section 36(2) of the Representation of the People Act prior to passing the order of rejection.

12. It is not disputed that Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh were registered as voters in the Assembly Constituency as mentioned in their nomination papers and were qualified to contest the election in question. It is also not disputed that Shri Gandhi Jha (P.W.3) and Shri Yogendra Poddar, proposers of Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh respectively, were registered as voters in the Assembly constituency as mentioned in the concerned nomination papers and were qualified candidate of their choice. In the nomination paper serial number and the part number of the electoral rolls of the constituency concerned relating to a candidate and the proposer are required to be given in order to enable the Returning Officer to verify whether the candidate and the proposer are registered as electors and qualified to be nominated as a candidate and to propose the candidate as a candidate for filling a seat in the Legislative Assembly, Lok Sabha. Rule 2(f) of the Conduct of Election Rules, 1961 says that "electoral roll number" of a person means (i) the serial number of the entry in the electoral roll in respect of that person; (ii) the serial number of the part of the electoral roll in which such entry occurs; and (iii) the name of the constituency to which the electoral roll relates. These particulars have to be furnished in the nomination paper. As mentioned earlier, in the nomination paper of Shri Pawan Kumar Pathak, the serial number of the entry in the electoral roll in respect of the proposer was wrong whereas in the nomination paper of Shri Lal Bahadur Singh the serial number of the part of the electoral roll in which entry regarding proposer occurs was wrong. In A.I.R. 1985 S.C. 847 referred to by the learned counsel for the respondent it has been held by the Supreme Court that "it is not possible to say generally and in the abstract that all errors in regard to electoral rolls numbers of the candidate and the proposer in the electoral rolls or nomination papers do not constitute defects of a substantial character. They would not be defects of a substantial character only if at the time of the scrutiny the Returning Officer either by himself with material placed before him during scrutiny or with the assistance of the candidate or any other person is able to find out the correct serial number of the candidate and the proposer by reference to the correct part number of the electoral roll." It has been further held by the Supreme Court in the said case that "the candidate and the proposer are always expected to go fully prepared to meet any objection that may be raised by any candidate or even by the Returning Officer himself suo moto at the time of scrutiny and they cannot be expected to go any the less prepared merely because the Returning Officer had received the nomination paper without raising any objection. It is at the time of scrutiny which is done in the presence of all concerned that the nomination papers come up for more detailed consideration at the hands of the Returning Officer against whom there is no estoppel in regard to statutory duty of scrutiny."

13. Now I would like to consider the evidence adduced by the parties in this regard. The election petitioner has, in all, examined six witnesses. It has come in the evidence of P.W. 2 Vijay Kant Jha alias Vijay Kumar Jha and P.W. 4 Pawan Kumar Pathak

that candidate Pawan Kumar Pathak, his proposer Gandhi Jha and candidate Lal Bahadur Singh were present at the time of scrutiny of nomination papers. Gandhi Jha as P.W. 3 and Lal Bahadur Singh as P.W. 6 have also stated about their presence at the time of scrutiny. P.W. 6 Lal Bahadur Singh has also stated that his proposer Yogendra Poddar was present at the time of scrutiny. The evidence of P.Ws. 2, 3, 4 and 6 to the aforesaid effect has not been challenged in their cross-examination. P.W. 12 who is respondent Bhogendra Jha himself, has in para 10 of his deposition admitted the presence of candidates Pawan Kumar Pathak and Lal Bahadur Singh at the time of scrutiny. P.W. 2 Vijay Kant Jha @ Vijay Kumar Jha, P.W. 3 Gandhi Jha and P.W. 4 Pawan Kumar Pathak have further stated that none of the candidates and proposers had raised any objection against the nomination papers of Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh and their evidence to this effect has not been challenged in their cross-examination. R.W. 1 Banaji Jha, R.W. 5 Arun Kumar Jha and R.W. 12 Bhogendra Jha in their evidence have admitted that no one had objected to any of the nomination papers. P.W. 2 Vijay Kant Jha @ Vijay Kumar Jha has deposed to the effect that the Returning Officer did not ask Shri Lal Bahadur Singh and Shri Pawan Kumar Pathak, anything prior to rejection of their nomination papers and his evidence to this effect has not been challenged in his cross-examination. P.W. 4 Pawan Kumar Pathak, P.W. 5 Lalan Kumar Singh and P.W. 6 Lal Bahadur Singh have deposed to the effect that the Returning Officer had not given an opportunity of hearing to Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh prior to rejection of their nomination papers. P.W. 1 Manoj Kumar Jha who is the election petitioner himself, is admittedly a hearsay witness on the point of rejection of nomination papers. P.W. 3 Gandhi Jha, who was the proposer of Shri Pawan Kumar Pathak, has deposed to the effect that the Returning Officer did not enquire anything either from him or from Shri Pawan Kumar Pathak prior to rejecting the nomination paper.

14. As against the above oral evidence adduced by the election petitioner on the point under consideration, the respondent has examined 12 witnesses. All these witnesses have deposed to the effect that Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh after presenting their nomination papers went away and on seeing their nomination papers when the Returning Officer got their names called out, none turned up. The evidence of the R.Ws. to this effect has been challenged in their cross-examination by the election petitioner. It may be pointed out that there is no specific case to this effect in the written statement of the respondent. So the evidence to this effect is beyond pleading. Perhaps, evidence to this effect has been led by the respondent keeping in view the provision of section 33(4) of the Representation of the People Act which provides that on the presentation of a nomination paper, the Returning Officer shall satisfy himself that the names and electoral roll numbers of the candidate and his proposer as entered in the nomination paper are the same as those in the electoral rolls. It has been taken in the cross-examination (para 6) of P.W. 4

Pawan Kumar Pathak and P.W. 6 Lal Bahadur Singh (para 12) by the respondent that after presenting their nomination papers Shri Pawan Kumar Pathak and Sri Lal Bahadur Singh remained there for 3 to 5 minutes. If it was so, then the correctness of the evidence of R.W.s. to the effect that Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh went away after presenting their nomination papers becomes doubtful. Furthermore, I would like to point out that the enquiry at the stage of receipt of nomination paper is a peripheral one and no legal consequence flows from the omission on the part of Returning Officer to carry out his responsibility at the stage of receipt of the nomination paper due to absence of the candidate or his proposer or due to any other reason.

15. P.Ws. 1, 4, 5, 6, 7, 8 and 12 are also on the point of rejection of nomination papers and enquiry at the time of scrutiny of nomination papers. R.W. 1 Bauaji Jha has deposed to the effect that before rejecting the nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh the Returning Officer enquired from the persons present there if they had anything to say about the same but no one objected to the rejection. The evidence of R.W. 1 in para 6 of his deposition makes his very presence at the time of scrutiny doubtful. Furthermore, he has deposed as a witness for the respondent Bhogendra Jha but has denied this fact in his cross-examination (Para 9). It goes to show that he is not a truthful witness and hence it would not be safe to rely on his evidence to the aforesaid effect.

16. R.W. 4 Bhola Mahto has deposed to the effect that when the nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh were taken up for scrutiny the Returning Officer told the candidates and proposers present there that he was going to reject the nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh and enquired if one had any objection but no one said anything. There appears nothing in the evidence of R.W. 4 to show that the Returning Officer sought the assistance of the candidates or the proposers present there in locating or identifying the proposers of Pawan Kumar Pathak and Lal Bahadur Singh in the voter list or asked Pawan Kumar Pathak and Lal Bahadur Singh to give correct particulars of their proposers.

17. R.W. 5 Arun Kumar Jha has deposed to the effect that no one responded when the names of Pawan Kumar Pathak and Lal Bahadur Singh were called out at the time of scrutiny. He has further stated that the Returning Officer enquired from the persons present if any one had any objection but no one objected. It may be pointed out that the presence of this witness at the time of scrutiny has been challenged in his cross-examination (Para 6) and his evidence in para 4 of his deposition makes his presence at the time of scrutiny doubtful. Furthermore, R.W. 5 is a witness for respondent Bhogendra Jha but in para 6 of his deposition he has stated that he has deposed for Bhola Mahto. As is apparent, R.W. 5 does not appear to be a truthful witness and

hence his evidence to the aforesaid effect is not safely reliable.

18. R.W. 6 Ram Tahal Purbe has simply stated that the nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh were rejected as the same were defective. R.W. 7 Md. Motiur Rahman has stated that the nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh were rejected as the names of their proposers were not found in their nomination papers. It may be pointed out that it is the case of neither party that the nomination papers of Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh were rejected on the ground that the names of their proposers were not found in their nomination papers. In view of this the evidence of R.W. 7 to the aforesaid effect seems to be absurd. It may be further pointed out that R.W. 7 is a witness for the respondent but he has denied this fact in his cross-examination (para 6). So R.W. 7 does not appear to be a truthful witness. It may be pointed out that R.Ws. 6 and 7 do not say anything to the effect that the Returning Officer held any summary enquiry prior to rejection of the nomination papers. So the evidence of R.Ws. 6 and 7 does not appear to be of any help to the respondent in showing that there was summary enquiry by the Returning Officer prior to rejection of the nomination papers.

19. R.W. 8 Chhatradhari Singh has stated that the nomination papers of Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh were rejected as the names of their proposers were not found in voter list and no one appeared on call. This witness is also silent on the point of summary enquiry by Returning Officer prior to rejection of nomination papers as alleged by the respondent and hence his evidence is also of little help to the respondent in the matter of alleged enquiry.

20. R.W. 12 is respondent Bhogendra Jha himself. He has stated that when the nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh were taken up for scrutiny, the Returning Officer told the persons present that the name of their proposers were not found in the voter list and hence he was going to reject the nomination papers. He has further stated that no one raised any objection when the Returning Officer stated so. He has further stated that just prior to the start of scrutiny he (R.W. 12) happened to meet Pawan Kumar Pathak and Lal Bahadur Singh in the chamber of the Returning Officer and asked them to remove the defects in their nomination papers but they told him that they were not going to contest the election. It may be pointed out that Pawan Kumar Pathak and Lal Bahadur Singh have been examined as P.W. 4 and 6 respectively but they have not stated so and even no suggestion has been given by respondent to them that they had told the respondent (R.W. 12) to the said effect. So this statement of R.W. 12 seems to be an afterthought on his part. As will appear, even R.W. 12 also does not say specifically in his examination -in-chief that the Returning Officer held summary enquiry prior to rejection of the nomination papers. There is no other evidence from the side of the respondent on this point.

21. The nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh have been brought on record by the election petitioner as Ext. 2 series. The order of rejection passed by the Returning Officer on the second page (Ext. 2|1) of the nomination paper of Shri Pawan Kumar Pathak is as follows :—

“The proposers name does not tally with the name as entered in electoral roll. Hence rejected.”

The order of rejection passed on the nomination paper (Ext. 2|2) of Lal Bahadur Singh by the Returning Officer is as follows :—

“The name of proposer does not tally with the particulars as entered in the electoral roll. Hence rejected.”

As will appear from the order quoted above, there appears nothing therein to show that the Returning Officer held summary enquiry and gave opportunity to the concerned candidates and their proposers to assist him in locating and identifying the names of the proposers in the voter list or to rebut the objection prior to passing the order rejecting the nomination papers. In the orders there is nothing to support the evidence of the witnesses of respondent that the Returning Officer prior to rejection of the nomination papers enquired from the persons present there if they had anything to say and no one objected to the rejection.

22. The election petitioner has brought on record the order sheet of the Returning Officer with regard to the election in question which is Ext. 3. It contains orders from 19-4-1991 to 17-6-1991. It is not disputed that Pawan Kumar Pathak and Lal Bahadur Singh had presented their nomination papers on 26-4-1991 and the nomination papers were scrutinised on 27-4-1991. The order dated 27-4-1991 shows that the nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh were rejected on the ground that the names of their proposers were not correct. There appears nothing in the order dated 27-4-91 to show that Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh were given time to correct the inaccurate particular in that nomination papers or to help the Returning Officer in locating the names of their proposers in the voter list or to rebut the objection. It also does not show that the Returning Officer held any summary enquiry as required by section 36(2) of the Representation of the People Act prior to rejecting the nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh.

23. In view of the evidence discussed above I am of the opinion that there was no summary enquiry as required by law by the Returning Officer prior to rejection of the nomination papers of Shri Pawan Kumar Pathak and Shri Lal Bahadur Singh. Since there was no summary enquiry as required by law at the time of scrutiny it can be said that the Returning Officer could not have been able to find out the correct serial number of the proposal of Pawan Kumar Pathak and Lal Bahadur Singh with

the assistance of the candidates or their proposers or others present there at the time of scrutiny. It is true that the candidates and their proposers are always expected to go fully prepared to meet any objection at the time of scrutiny but unless the Returning Officer holds summary enquiry as required by law and gives time/opportunity to the candidates and proposers concerned, their preparation to meet any objection will not be of any help. It was contended on behalf of the respondent that Pawan Kumar Pathak and Lal Bahadur Singh have claimed that they and their proposers were present at the time of scrutiny but the evidence on record does not show that they had sought time/opportunity to give correct particulars of their proposers or to assist the Returning Officer in locating or indentifying their proposers in the voter list. In this connection it was contended on behalf of the election petitioner that from the order-sheet (Ext. 3) maintained by the Returning Officer it would appear that he did not hold summary enquiry prior to rejecting the nomination papers and under the circumstances Pawan Kumar Pathak, Lal Bahadur Singh and their proposers could not get opportunity to assist the Returning Officer in locating and identifying the correct serial number/part number of the proposers in the voter list. In view of all this, it is difficult to say that the defect in the nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh were of substantial Character.

24. Section 35 of the Representation of the People Act inter alia provides for affixing of notice in some conspicuous place in the office of Returning Officer with regard to nomination and the time and place for their scrutiny. Rule 7 of the Conduct of Election Rules, 1961, provides that notice of nomination under section 35 shall be in such one of the forms 3A to 3C as may be appropriate. Relevant form for election to Lok Sabha is 3A. It was contended on behalf of the respondent that there is no pleading to the effect that notice in form 3A had not been affixed and hence presumption would be that official work must have been done in due course. It was further contended on behalf of respondent that in view of the notice in form 3A the candidates and proposers are expected to go fully prepared on the day of scrutiny to meet any objection that may be raised at the time of scrutiny. It was not disputed by the learned counsel for the petitioner that in view of notice in form 3A the candidates and their proposers are expected to go prepared to meet any objection that may be raised at the time of scrutiny but was pointed out that there is nothing in the order sheet (Ext. 3) of the Returning Officer to show that notice in form 3A had, in fact, been affixed. It was further contended that Pawan Kumar Pathak, Lal Bahadur Singh and their proposers were undisputedly present at the time of scrutiny but in absence of summary enquiry by the Returning Officer, they could not get an opportunity to assist him in locating and identifying their proposers in the voter list. By referring to the oral evidence adduced by the parties, order passed by the Returning Officer on the nomination papers of Pawan Kumar Pathak and Lal Bahadur Singh and the order sheet (Ext. 3) of the Returning Officer it has already been pointed out earlier that there was no summary enquiry by the Returning Officer prior to passing of the orders for rejection and under the circumstances there

appears force in the above contention of the learned counsel for the election petitioner.

25. The learned counsel for the respondent referred to pages 27 and 28 of the Hand Book for Returning Officers (published in 1977) at which grounds for rejection of nomination papers have been detailed and invited the attention towards ground number (IX) which provides for rejection of nomination paper if the proposer was not an elector of the constituency or was not eligible to be a proposer at the time of presentation of nomination paper. It is not disputed that the name of Gandhi Jha, the proposer of Pawan Kumar Pathak, is entered at serial number 413 part No. 190 of the voter list of Benipatti Assembly Constituency which forms part of the Parliamentary Constituency, in question. It is also not disputed that the name of Yogendera Poddar, the proposer of Lal Bahadur Singh, is entered at serial number 356 of Part No. 74 of the voter list of Madiubani Assembly Constituency which forms part of the Parliamentary Constituency, in question. Moreover these facts are also apparent from the voter list (Exts. 1 and 1/1) of the aforesaid Assembly Constituencies. So there is no doubt that the proposers of Pawan Kumar Pathak and Lal Bahadur Singh were qualified to propose the names of qualified candidate of their choice. That being so, ground Number (IX) as mentioned at page 27 of the aforesaid Hand Book for Returning Officer appears to be of little help in the matter under consideration. In this connection the learned counsel for the election petitioner referred to pages 26 and 27 of the aforesaid Hand Book for Returning Officer at which grounds which are insufficient for rejection of nomination papers have been detailed and pointed out that rejection of nomination paper on the ground of any error in description of electoral roll number has been described as flimsy ground. The learned counsel for the election petitioner further pointed out that just above the "grounds for rejection of nomination papers" at page 27 of the said Hand Book the instruction/direction of the Election Commission is for not rejecting any nomination paper on the ground of technical or clerical errors or discrepancies most of which could and should have been directed to be set right at the time of presentation of the nomination paper [vide section 33(4) proviso]. Further instruction/direction is that "it would be very improper if you (Returning Officer) fail at the proper stage to help a candidate by exercising your powers and discretion under the proviso to section 33(4) and if, later at the time of scrutiny you reject his nomination paper on the ground of those very defects which could have been set right under that section". It was not disputed that the instruction/direction/guidelines as contained in the aforesaid Hand Book are binding on the Returning Officer though the same have no statutory force. As is apparent, the Returning Officer while rejecting the nomination papers ignored the aforesaid instruction/direction as contained in the aforesaid Hand Book for Returning Officers.

26. The learned counsel for the election petitioner referred to the proviso to section 36(5) of the Representation of the People Act which provides that in case an objection is raised by the Returning Officer or is made by any other person the candidate concerned may be allowed time to rebut and

contended that granting of time to rebut objection is a must even if not asked for but the Returning Officer instead of doing so, rejected the nomination papers outright without holding summary enquiry. In support of this contention reliance was placed on para 8 of the decision of this very Court in the case of Parameshwar Kumar Versus Lahtan Chaudhary reported in 1958 B. L. J. R. 386. In para 8 of the said decision it has been inter alia held that "under proviso to section 36(5) the Returning Officer could have allowed time to the candidate concerned to rebut the objection raised by or on behalf of the respondent to the nomination of the petitioner even though time was not asked for, as nobody was present on behalf of the petitioner at the time of scrutiny and at the time objections were raised. I am of the view that where objections are raised to any nomination paper which required an investigation of a summary enquiry of certain facts, it would have been proper for the Returning Officer to adjourn the hearing of the objection for sometime or for a day."

27. The learned counsel for the parties invited my attention to certain decisions to which I will refer hereafter. I have already referred to the decision of the Supreme Court in the case of Brij Mohan versus Satpal reported in A.I.R. 1985 S.C. 847. In that case the candidate who was present before the Returning Officer, was asked to point out the entries in the electoral roll where the names of himself and his proposer are found as electors and as he was not in a position to do so, the Returning Officer rejected the nomination paper and hence the defects concerning electoral roll numbers were held to be defects of substantial character and the rejection held to be justified. But in the instant case the Returning Officer did not ask the candidates or their proposers present there to point out the entries in the electoral roll where the names of the proposers are entered as electors. So the decision in the above mentioned case is not applicable to the facts of the instant case.

28. In A.I.R. 1985 S.C. 1073 (Lila Krishna versus Mani Ram Godra and others) referred to by the learned counsel for the respondent, no one was available when the Returning Officer took up the nomination paper of Mani Ram Chhapole and Raj Tilak (two of the candidates) to indicate to the Returning Officer correct serial number in the electoral roll and under the circumstances the nomination papers of the aforesaid two candidates were rejected and the defect was held to be of substantial character and the rejection was held to be proper by the Supreme Court. In the instant case before me the candidates as well as their proposers were available at the time of scrutiny but they were not asked by the Returning Officer to indicate the correct serial number/part number of the proposers and hence the decision in the said case is not applicable to the facts of the instant case.

29. In A.I.R. 1988 S.C. 1796 (Birad Mal Singhvi versus Anand Purchit) referred to by the learned counsel for the respondent, the controversy was with regard to the validity of the orders of Returning Officer rejecting the nomination paper of Smt. Umrao Ben for non-compliance of the provision of section

33(5) of the Representation of the People Act and that of two others on the ground that they were aged below 25 years and the order of rejection was upheld by the Supreme Court. The facts of the said case were quite different. The decision there is distinguishable.

30. The learned counsel for the election petitioner referred to the decision of the Election Tribunal Jaipur in the case of Ram Singh versus Hazarilal and others reported in 6 E.L.R. 224. In the said case Election Tribunal has held that omission to mention the part number of the voter list regarding the name of the candidate in the nomination paper will not justify the rejection of the nomination paper even if there is any doubt about the identity which can be cleared by the Returning Officer by holding summary enquiry under section 36 of the said Act. The learned counsel for the election petitioner referred to some other decisions also but I do not think it necessary to refer to the same as the fact, of those cases were some what different.

31. In view of the above discussion, I am of the opinion that rejection of the nomination papers of Shri Pawan Kumar Pathak and Sri Bal Bahadur Singh was improper. In view of the improper rejection of the nomination papers of the aforesaid two candidates there is a presumption that the result of the election has been materially affected, in as much as the entire electorate has been deprived of the right to vote for a candidate who is entitled to stand. In view of this, it is further held that the election of the returned candidate, namely Shri Bhogendra Jha is void. Issue no. 2 is disposed of accordingly.

32. Issue No. 1 : There appears no defect in the election petition nor any defect was pointed out at the time of hearing. But it has been alleged by the respondent that Congress (I) candidate Dr. Jagannath Mishra was his nearest rival in the election, in question, and he (Dr. Jagannath Mishra) utilised all his resources and exercised all his influences for manipulating and manœvering the election processes and put up several dummy candidates in order to manœver the election process but lost the election and having lost the election, Dr. Jagannath Mishra has got this election petition filed through the election petitioner in order to nullify the election of the respondent. It has also been alleged by the respondent that nomination papers presented on behalf of Pawan Kumar Pathak and Lal Bahadur Singh were purposefully wrongly filled up and were knowingly left to be defective at the instance of Dr. Jagannath Mishra so that the defects may be utilised as a pretext by him or on his behalf when he loses the election. Though the respondent has examined 12 witnesses, including himself but only R. W. 9 Durgesh Nandan Jha @Durgeshwar Jha has stated that Lal Bahadur Singh and Pawan Kumar Pathak had presented the nomination papers at the instance of Dr. Jagannath Mishra. Admittedly, R. W. 9 has no concern with the affairs of Dr. Jagannath Mishra. In view of this he can hardly be competent to say that Lal Bahadur Singh and Pawan Kumar Pathak had presented their nomination papers at the instance of Dr. Jagannath Mishra. Respondent Bhogendra Jha as R. W. 12 has stated in para 4 of deposition that Lal Bahadur Singh

had presented his nomination paper at the instance of Dr. Jagannath Mishra. As regards Pawan Kumar Pathak has not stated that he had been set up by Dr. Jagannath Mishra. The evidence of R. W. 12 Bhogendra Jha to the aforesaid effect has not been corroborated by some reliable evidence. It may be pointed out that Lal Bahadur Singh has been examined as P.W.6. He (P.W.6) in para 20 of his deposition has denied the suggestion that he had filled up defective nomination paper at the instance of Dr. Jagannath Mishra so that he may have occasion to depose in the Court in case of defeat of Dr. Jagannath Mishra in the election. In para 22 of his deposition P.W.6 has denied the suggestion that he had been set up as a candidate of Dr. Jagannath Mishra. Sri Pawan Kumar Pathak has been examined as P.W.4. He (P.W.4) in his cross-examination (para 6) has denied the suggestion that he had presented the nomination papers at the instance of Dr. Jagannath Mishra and had knowingly noted wrong serial number of the entry of the voter list so that the election petition may be filed in case of defeat of Dr. Jagannath Mishra. There is no reliable evidence from the side of the respondent to support the allegation to the effect that Pawan Kumar Pathak had been set up by Dr. Jagannath Mishra and he had knowingly presented defective nomination paper so that the defect may utilised as a pretext by Dr. Jagannath Mishra or on his behalf when he loses the election. In absence of reliable evidence it is difficult to accept the case of the respondent to this effect. In view of my above finding on issue no. 2, it held that the election petition is maintainable.

33. Issue no. 3 : It has already been held that due to improper rejection of the nomination papers of the aforesaid two candidates, the result of the election has been materially affected and the election of respondent Bhogendra Jha is void. Accordingly, it is held that the election petitioner is entitled to get the election of respondent Bhogendra Jha set aside

34. In view of the above findings, this election petition is allowed on contest and the election of respondent Bhogendra Jha is hereby set aside. Since the election of respondent Bhogendra Jha has been set aside due to improper rejection of the nomination papers of the two candidates by the Returning Officer, the parties will bear their own costs. The office will intimate the decision to the Election Commission of India, Speaker of the Lok Sabha and shall forward to the Election Commission an authenticated copy of this judgment and the formal order of the Court.
